

Joseph Burmester

Partner and CFO

Joe is responsible for both the financial and internal operations and activities of Attevo.

He has been a Vice President with Acero, Arsenal Digital Solutions and Computer Associates and a co-founder of fileFrenzy, an online content management company.

As a Vice President with Reallogic, Joe was responsible for the development of the Workgroup Computing consulting practice and ran the Southern region of the firm. He also served as Vice President for Integral Systems, was Partner-In-Charge of the Technology consulting practice for KPMG in the St. Louis region and was Senior Vice President of Operations for Capitol American Life Insurance Company.

Joe began his technology career with Arthur Andersen & Co. (now Accenture) after serving three years as a full-time statistics instructor on the faculty of Bowling Green State University in Ohio.

Joe holds a Bachelor of Science degree in Mathematics from Bowling Green State University and an MBA with an emphasis in Finance and Statistics from Bowling Green State University and is also a Certified Public Accountant and Certified Systems Professional. Joe is active in several community and charitable organizations.
