

Attevo undertakes Contracts Management seminar series in conjunction with Open Text

London, United Kingdom - January 9, 2008

Attevo, an industry leader and expert in Contracts Management, is holding a series of informative sessions on the business benefits of managing the increasingly complex contracts management life cycle.

By attending the seminar series, clients will understand the business benefits of effective contracts management, including risk and compliance management, supply chain integration and business process efficiency savings.

The seminars are being held in conjunction with Open Text at various European locations throughout Spring 2008. The next available seminar is to be held February 20, 2008 in London (see <http://www.opentext.com/events/event.html?id=6643047> for details and registration).
